Levels: A1 and A2: Basic user – B1 and B2: Independent user – C1 and C2: Proficient user
[Common European Framework of Reference for Languages](#)

Communication skills

- Team work: I have worked in various types of teams during the Bachelor Degree thanks to the group activities prescribed by the courses. Other extracurricular experiences include the participation in multiple musical bands and musical schools, a rugby team and a theater company.
- Intercultural skills: since the late years of elementary school I took part in various language studies across the UK. As of now, I help in mediating negotiations in sales for Bassano Carrelli.

Organisational/Managerial skills

- Good organizational experience gained with the organization of various musical events and concerts in my region.
- Good management skills gained through various scholastic activities, such as group leading for regional mathematics olympics.

Digital competences

SELF-ASSESSMENT				
Information Processing	Communication	Content creation	Safety	Problem solving
Independent user	Proficient user	Independent user	Proficient user	Independent user

[Digital competences - Self-assessment grid](#)

Computer skills

- Competent with most Microsoft Office programs.
- Experience in web design using HTML and CSS.
- Proficient with Python and basic libraries.
- Knowledge of Machine and Deep Learning using TensorFlow and SciPy.
- Competent with other programming languages such as Java and MatLab.
- Basic knowledge of C programming language.
- Experience in artistic creation using Adobe programs (Photoshop, Premiere).
- Experience in musical creation using Logic Pro X and Ableton Live.

Other skills

Composing various genres of music with bands and on my own, achievement of a conservatory exam. Making, recording and editing videos for personal and professional use (experience in the recording of local sport tournaments for the local television "TVA Vicenza").
